**FOR IMMEDIATE RELEASE**

## **Winners of Saskatchewan's First Ever Virtual Heritage Fair Announced!**

The 2020 Virtual Heritage Fair saw an impressive 345 students, grades 4 to 8 from across Saskatchewan, showcase 294 projects they created on Saskatchewan and/or Canadian-based heritage topics. A panel of judges have determined the winners of this year's first ever Virtual Heritage Fair.

The work of the students was remarkable as they adapted from the traditional in-person heritage fair, to creating projects intended for a digital platform. The [Heritage Saskatchewan website](#) features an all-new viewing interface so everyone can enjoy students' projects that not only showcase their research skills and knowledge, but also their creative talent. Congratulations to all students for a job well done!

Students had the chance to win awards in 48 separate categories. For a complete list, visit our [website](#).
