FOR IMMEDIATE RELEASE

During this time of physical distancing and isolation, Heritage Saskatchewan wants to keep the minds of Saskatchewan students curious and learning by participating in our first ever **Virtual Heritage Fair**. Students are encouraged to create a project, and submit it to be showcased on our website and for a chance to win prizes!

By asking students in grades four to eight to pick a topic related to Canadian Heritage, we hope to raise awareness of *Living Heritage as an integral part of life for all Saskatchewan citizens. As such, we ask students to pick a topic about what Canadian heritage means to them: Family traditions, food, music, sports, etc.

Visit our website for further details: heritagesask.ca/heritagefairs/2020-virtual-heritage-fair
