History Alive! Vignettes – The Season begins this Sunday!

Starting this Sunday, July 2nd, history will literally come alive with the *History Alive! Vignettes*. The *Vignettes*, back this summer for a third season, are engaging, live performances depicting significant historical moments in Saskatchewan’s history. Performances take place at both the Saskatchewan Legislative Building and Government House throughout the summer until September 6th.

Building upon the success and record-breaking attendance of the 2016 season, the 2017 *Vignettes* season is especially unique as artistic director, Mark Claxton, has worked with the scripts adding a special focus on the recognition of Canada 150.

“The *History Alive! Vignettes* provide an experiential and engaging way for both the people of Saskatchewan and our visitors to the province alike to experience the history of the province,” says Ingrid Cazakoff CEO of Heritage Saskatchewan. “The opportunity to explore Saskatchewan stories through live, on-site performances by professional actors is well-worth the experience!”

This project is supported by several partners, including the Provincial Capital Commission and Government House with the Ministry of Central Services, and the Saskatchewan Legislative Assembly Visitor Services. Sponsors for the third year in a row include Tourism Saskatchewan and the Government House Historical Society.

Heritage Saskatchewan is a non-profit organization that receives its core funding from the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation, through SaskCulture Inc.
